### MACHINE-GUN SECTION

If  $\otimes$  is initiated against one of your units. You should launch a preventive attack against all of the attackers.

Your attacked unit may also take use of its own "machine-gun section" against assaulting units (if it has one).

A successful hit may result in max.  $1\frac{1}{2}$  in casualties.

MAY BE DEPLOYED AGAINST ALL ATTACKERS WITHIN ONE  $\otimes$ !

The above is to be implemented without delay!

*Stenmeyer*  
Staff officer

### DECEIT

Through our agents, order an enemy unit to move  $2x$  in a way not to arrive next to a hostile unit.

CANNOT BE APPLIED TO UNITS STATIONED IN SETTLEMENTS!

The above is to be implemented without delay!

*P. K. K. K.*  
Staff officer

### REPEAT ASSAULT

In this round, all of your own units may initiate another  $\otimes$  against an enemy unit positioned next to it.

The attacked enemy unit will likewise launch a counter-attack against the repeated  $\otimes$ , and both parties can take use of their  $\oplus$  and  $\ominus$ .

Only units that had taken part in the original  $\otimes$  shall participate in the REPEAT ASSAULT.

The above is to be implemented without delay!

*J. J. J. J.*  
Staff officer

### PERTURBATION

Through our agents, order 2 hostile units positioned on adjacent fields to swap places.

The above is to be implemented without delay!

*S. S. S. S.*  
Staff officer

### CIRCUMVENTING PREPARATIONS

The effect of the  $\square$  played out by the enemy in the opening phase shall not be applied.

The above is to be implemented without delay!

*S. S. S. S.*  
Staff officer

### STRATAGEM

2 of your units positioned next to each other shall swap places.

Following this, you may still engage these units in action in the central phase.

The above is to be implemented without delay!

*J. J. J. J.*  
Staff officer

### RAPID ADVANCE

Select 3 own units which can perform  $\square$  during the central phase.

THESE UNITS CANNOT PERFORM ANOTHER OPERATION IN THE CENTRAL PHASE!

The above is to be implemented without delay!

*J. J. J. J.*  
Staff officer

### THOUGHT-OUT BATTLEPLANS

If  $\ominus$  or  $\oplus$  launches an attack, I strengthen all units taking part in one particular clash with  $+2\otimes$ !

APPLICABLE TO A SINGLE CLASH ONLY!

The above is to be implemented without delay!

*G. G. G. G.*  
Staff officer

### SPEARHEAD

To one of your units launching  $\otimes$ , I appropriate a contingent of the regiment's bravest soldiers!

Therefore, this unit is to fight with  $+2\otimes$  and  $+2\blacksquare$ !

APPLICABLE TO A SINGLE CLASH ONLY!

The above is to be implemented without delay!
